

# Digestive Health Bites

CANINE TREATS

## Medical Indications:

Digestive Health Bites are recommended for the following:

- Dogs that may benefit from added prebiotic fiber
- Healthy dogs on a maintenance diet

## Treat Characteristics:

Digestive Health Bites have been formulated with the following characteristics:

- Contains natural prebiotic fiber to help promote digestive health
- Vitamins C & E to help support the immune system
- Real chicken #1 ingredient
- No artificial colors and flavors

Actual Size

## Feeding and Administration:

Feed as a treat to your adult dog. This product is a treat and is not intended to be fed as a meal. The caloric intake from treats should not exceed 10% of a dog's total daily caloric requirement. If treats are given, the amount of food should be reduced accordingly.
